Do you remember the Sundays of trying to "beat the offering plate" — that, finish writing your offering check before the offering plate got to your pew? These days we don't have to worry about beating the plate. Your offerings can be given electronically. Once a month or every two weeks (your call) a check can automatically be sent on your behalf from your bank to Trinity, and you won't have to be concerned about beating the plate, or staying regular with your giving.

Have you considered giving electronically? You can do it through your bank or financial institution, or by using "Simply Giving" which can be set up through our Church Steward, Cheryl Mays Comen. Either way, your generosity can become almost effortless.

Please know we are always very grateful for your faithful stewardship!

Sandra Jerke is happy to share the news that she was able to attend the ceremony honoring her grandson, Jacob Lofton, for achieving Eagle Scout Status. Jacob's project was building a dog kennel and fencing for a mother dog and pups at the local dog rescue center. Jacob is the son of Lt. Col. Del and Kristy (Jerke) Lofton, former Trinity members, now living in San Antonio, Texas. Congratulations to Jacob and his proud family!

Many thanks to all of you dear people for helping us celebrate the many years of our marriage. God's blessings to each and every one of you.
