5 Year Plan - \$1,000,000

- Add an additional \$50,000 to the Ministry & Mission budget for outside benevolence
- Provide permanent support for the Youth Director position
- Provide financial support to send the youth to the 2015 Summer Youth Gathering in Detroit, and the 2018 Summer Youth Gathering

5 Year Plan - \$1,000,000

- Become better stewards of our paid staff, by providing fair local market wages and benefits
- Provide funding to address about \$450,000 in building renovations to sustain and improve the way we carryout the Ministry & Mission
- Provide adequate funds in the Checking Account to cover all of the Designated Funds

Future Years

- We must sustain this increase, to ensure that we provide adequate resources to carryout the ministry that God has called us to do, while maintaining a balanced budget.
- 

What will happen if we achieve the 3 to 5 year plan goals?

- By the end of our 100th Anniversary we will:
 - Annually provide \$100,000+ in total Benevolence
 - Provide permanent support for Youth Program staff
 - Provide fair local market compensation to our paid staff
 - Provide a solid financial foundation for the next 100 years
- 

What does this mean for us?

- \$95,000 for our 95th Anniversary!
 - Encouraging \$95,000+ growth in income for 2015 to fund the ministry & mission priorities.
- Based on 210 giving units = at least an additional \$40 per month per giving unit

We are confident that,
together, WE can do this!

- We can look to recent examples that convince our council that the financial resources exist **AND generosity can be inspired when we align our ministry and mission spending with the hearts and passions of our members!**

Four recent examples are:

- We raised over \$50,000 during our last interim to install the digital sign on C Street
- We matched the challenge grant with over \$20,000 to purchase the walk-in cooler and freezer for Trinity's Feeding and hospitality ministries
- We funded a major % of the cost to send 9 youth and 2 chaperones to the National Lutheran Youth Gathering in 2012
- We provided over \$60,000 (plus donated equipment & furnishings) to refurbish the apartment above the Fireside Room to leverage our facility to provide resources for a Youth Director

What will make this happen?

- Integrating our Capital Improvement budget with the Ministry & Mission Budget
- Providing an annual Building Reserve Fund contribution in addition to annual expenses
- Provide funding for a Communications & Marketing Coordinator
- Contract with a Stewardship & Capital Campaign Consultant
