New opportunity for fellowship and growing in faith!

Do you find yourself lingering after church for conversation or yearning for a chance to reconnect after an extended time of distancing and isolation? There is a new opportunity to gather for conversation and grow in faith across generations. Facilitated by Trinity pastors and PLU Connect leaders, each week we will gather to explore scripture, grow in faith, share stories and life lessons and ultimately be the children of God together in a chaotic world.

Beginning November 7, we will gather near the back of sanctuary following worship each Sunday morning. Our time will begin and close as a group and include a break out time for various activities and conversation. Enjoy a cup of coffee and snack and then come join the conversation! All ages welcome (for real)!

Our prayers for peace and comfort are extended for the families of Vonnie Carr and Raoul Titus, both of whom died this past week. Watch for announcements of services.

We also remember in prayer all those afflicted with mental health issues. During this time of pandemic, economic and social upheaval there are more of us experiencing negative emotional consequences. We pray for peace, comfort, clarity of mind for any so affected and their loved ones.
